SUPPLEMENTARY INFORMATION:

Information Collection Request Title: Data Collection Tool for State Offices of Rural Health Grant Program (SORH).

OMB No. 0915-0322 – Extension

Abstract: The mission of the Office of Rural Health Policy (ORHP) is to sustain and improve access to quality care services for rural communities. In its authorizing language (Sec. 711 of the Social Security Act [42 U.S.C. 912]), Congress charged ORHP with administering grants, cooperative agreements, and contracts to provide technical assistance and other activities as necessary to support activities related to improving health care in rural areas.

In accordance with the Public Health Service Act, Section 338J; 42 U.S.C. 254r, the Health Resources and Services Administration proposes to revise the State Offices of Rural Health Grant Program – Funding Opportunity Announcement (FOA) and Forms for the Application. The FOA is used annually by 50 states in preparing applications for grants under the State Offices of Rural Health Grant Program of the Public Health Service Act, and in preparing the required report.

Need and Proposed Use of the Information: ORHP seeks to continue gathering information from

grantees on their efforts to provide technical assistance to clients within their state. SORH grantees would be required to submit a Technical Assistance Report that includes: 1) the total number of technical assistance encounters provided directly by the grantee; and, 2) the total number of unduplicated clients that received direct technical assistance from the grantee.

Submission of the Technical Assistance Report would be done via submission to the HRSA Electronic Handbook no later than 30 days after the end of each twelve month budget period.

Likely Respondents: Fifty State Offices of Rural Health grantees.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions, to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information, to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information, and to transmit or otherwise disclose the information. The total annual burden hours estimated for this Information Collection Request are summarized in the table below.

Total Estimated Annualized Burden – Hours:

Form Name	Number of Respondents	Number of Responses per Respondent	Total Responses	Average Burden per Response (in hours)	Total Burden Hours
Technical Assistance	50	1	50	12.5	625
